“ *I remember meeting Curly in the 90s. He was a best friend to Joann lymon. He moved down the street from me. He would be walking with that little braid in the back of his hair. Telling jokes to me and my kids. I lost contact with him after Joann passed away, and to read this is an utter shock. So funny and full of life. May you rest in heaven. And to his family..may God bless and strengthen you all during this time.*
