“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.

“ wow if i had not been looking on this website i would not have known it. i have not see Sylvia in a long time. I remember what a good friend she was to me. To her family, Sylvia was the kind of friend that did anything she could for you. I was on the receiving end of that kindness. She is in a better place now and she would not come back here if she could. God has truly called an angel home.

Family I have you in my prayers
