“ *Tamesha you came into my, Kynedy, and Kyzer's life for a very particular reason. For that I will always love you. I'll miss your smile, and your always playful ways that got on my nerves, lol. Don't worry about Armani, she has a village to raise her. You've set a solid foundation in her life, and she will carry on.*

To the family, I'm only a call away. I love you all.

“ *Wow, you have been my rock for so long. My heart is heavy and Lord Jesus my thoughts are weary. I love you so much,.. A David Psalm: God , my shepherd! I don't need a thing. You have bedded me down in lush meadows, you find me quiet pools to drink from. True to your word, you let me catch my breath and send me in the right direction. Even when the way goes through Death Valley, I'm not afraid when you walk at my side. Your trusty shepherd's crook makes me feel secure.*

“ Greetings in the name of our Lord and Savior Jesus Christ my name is Minister Jamerson and I was a coworker with Tamesha, I'm truly saddened by her passing, I pray for strength for miss Armani and the entire family and friends. She was very outspoken, and willing to help anyone if the need was genuine. I enjoyed her smile and that annoying laugh she had. Let us find ourselves examining our lives, making sure that we live it pleasing God. I leave you with this For his anger endureth but a moment; in his favour is life: weeping may endure for a night, but joy cometh in the morning. (KJV) God bless and keep is my prayer
