“ *Taneisha I just miss you and I have been missing you for a long time....We were separated triplets...83 babies...you were the youngest. You were so pretty with your semi-shy self...Always hiding your smile and batting those mysterious forever color changing eyes while shaking that big ol head...I think both our names should have been Pieface! I loved hugging you...even when you acted like you didn't like it...lol...I forgive you for all the days I asked you to go somewhere and you avoided me by saying make an appointment...lol...I admire your strength. You have been fighting for a long time...I am so sorry...we're so young...your memory will forever be cherished...Rumpelstiltskin gold pressed hair to pin curl pony tails...you go girl! I love you...and MAY GOD BLESS OUR FAMILY!!! IN JESUS NAME!!! AMEN...!*
