“ *Tanisha's bright smile will stay etched in my heart. I never heard Tanisha complain. She would come and sit and actively participate in services. I had noted her hair growth, and prayed it was just a style for her and not a result of cancer. When I began missing her presence in services, I greatly missed her. She was a brave fighter. I sensed peace in her. A few times, I pulled on her peace. Aint that something, I was crying cause I couldn't pay a bill. God forgive me. I never asked her name, I took every opportunity to hug her, and return her smile. Family be encouraged, everytime you see or think about a rainbow, remember that glowing smile in this picture. You knew and loved her best; now enjoy for her her new rest.*

Love in Christ to all family and friends

“ *My heart is saddened by the passing of my cousin Tanisha. Words cannot express what Tanisha meant to me. We shared some really good times. Tanisha always made me smile and laugh in only the way Tanisha knows how. I know I will miss her whenever I come back to Flint.*

To the Kemp family, I love you all! I never considered us in-laws but my immediate family. My family here in South Carolina and many people you do not know are praying for God to give you all the strength you need to get through this most difficult time.

I know Tanisha is in a better place and I cannot wait until we are reunited in that kingdom of made with hands.

*Keep the faith!
With much love,*
