“ With each moment, with each hour, as you honor and remember your loved one, may memories and love cradle your heart with the gentle warmth of heaven's embrace. At this sad time when there is little anyone can do, may you know that many understanding thoughts are there with you.

My thoughts and prayers are with you. With deepest sympathy. May God be the glory.

“ I am totally at a loss for words right now. To Karen and the rest of the family, my heart goes out to you. Tanya and I worked together on the Northwestern class of 1987 reunion. We had a great time and she will be missed greatly. Karen if there is anything that I can do for you and the rest of the family, you have my number. God Bless you.
