“ *To be absent from the body is to be present with the lord. God has a very beautiful Angel in his arms right now. Tara was a very kind hearted, special, funny, gorgeous young lady. She always had that smile on her face. Throughout her illness she kept smiling and kept a positive attitude. Tara was the true definition of how a strong woman should be. She was always flawless, never a hair out of place. Those lashes, those lashes. What can I say about those lashes! I loved her devotion to her boys and family. Tara was just an all around good person that I will truly, truly miss. May God be with you all and look to God to comfort you in your time of need. I look forward to seeing Tara again because I know she is in Heaven!*

“ *Revelation 21:3-4 "And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall by his people, and God himself shall be with them, and be their God. And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away.*

My thoughts and prayers are with the family. My heart goes out to all the family. A special prayer to Tara's children. May the Lord be with you in these hard times.

Love you all,

“ *Hello*

I am writing this tribute to express my condolences to your family. I know from experience how hard it is on everyone to lose a family member. I lost my father 7 years ago. But, one thing that helps the healing process is to remember the promise that God has made to us. John 5:28, 29 says that there is going to be a resurrection. We'll be able to see our loved ones again! Do you know what the best part of that is? It is that when they are resurrected, they will actually have the prospect of living forever right here on the earth! This is what is said in Psalm 37:29. These are scriptures that I love and I hope that they can bring you some comfort also. Again, I'm very sorry for your loss. You may contact me at the email address above if you wish to talk further about this.

“ The family is in my thoughts and prayers daily. Tara will be missed. She was a strong, loving, and awesome woman of God. She always looked good even when she didn't feel her best; most of all she was a Christian and she wasn't afraid to share her belief. I will miss her but I am happy that she will not have to suffer any longer. I had the pleasure of getting closer to Doretha the last few days of Tara's life and she accepted me into her space as if she has known me for years. Thank you Doretha for your friendship, patience, and kindness. You are an angel. God be with you and the boys.

“ I wanted to express my deepest sympathies to Eugene (always known to me as Baby Gene) and his brothers my little cousins. I was heartbroken to find out that Tara passed on, but to know that she will suffer no more with what she had to deal with. She was a loving mother and family member. She will be truly missed but never forgotten. May she rest in peace with the rest of her loved ones before her.
