“ *Amanda and family,*

I have a lot of respect and admiration for Amanda and Tavaris. Despite the progressive set-backs out of his control, Tavaris excelled with each new challenge he faced. I will always remember the smile that brightened his face especially in the presence of his mom. EKLC hallways are already too quiet without him and I already miss his daily visits to my room. You and your family are in my thoughts and prayers.

“ *to the Brown Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked? Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
