“ *I just want you to know that my prayers go out to you and your family. I am sorry for the loss of your sister/daughter I was just up there in Michigan because of the same situation (grandmother) and though we hate to lose a loved one they are now resting in a better place no more pain nor suffering because the Lord has called her home. Now we must live right to get where they are if we want to see them again. Again I will continue to keep you in my prayers and ask the Lord to supply with every need to get you through this. Love you always*
