If Poopa ever had a friend from back in the day, Kila was her!!! I want you to know that I appreciated her giving spirit & smile that she always had; and you too, Kim. If anyone has ever been touched by an angel, she definitely was. I pray God's strength to help you all get through this, 'cause only HE can do it! May God Be Your Comfort!

“ I was deeply saddened to hear of Tekila's passing. She was my student at Davenport University for two classes. She was a very sweet and caring young woman who truly loved her children, family and friends. She had a bright future ahead of her. We don't know or even understand why God allows some things to happen, but we have to trust in what He does. I pray that you hold onto God's hands tightly during this time and trust that His plan will be revealed in time. God bless your family and all who knew and loved Tekila. We will keep you in our prayers. God bless.

“ I just wanted to take a moment to give my deepest sympathy to Kila's family and especially her children. I have known Kila since we were carefree teenagers in the halls of C-A. I did not talk to her much past high school but whenever I saw her out and about, usually at the mall, she always took time to say hello and ask how I was doing. I was glad to see her doing well and living a good life. It is so unfortunate that she is no longer here with those who knew and cared about her. But always know God makes no mistakes and he will comfort you all during this time. I pray that God be always with you and may he strengthen you all. God bless and once again you have my condolences.

“ *First I want to extend my deepest sympathy to the entire family of Tekila. I am her children's Great-Aunt, their Grandfather Larry Sublett, is my brother. Although I've never met Tekila personally, I did meet Larry at Westwood Elementary school on Grandparent's Day. I introduced him to one of my granddaughters, Ke'Asis Maxie. She later told me that Larry lived in Shiloh and saw her one day and walked up to her and said "you are my cousin right? your Granny(Nanna) told me that at the school. Also I knew a Johnny Brooks that used to work at Westwood Manor many moons ago, he went by J.B. so if it's the JB I knew, you are in my prayers. But even if it's not the same guy, you are still in my prayers, as all of you are. Losing a loved one is never easy especially when it is so unexpected. I know its a hard pill to swallow, I pray to God Almighty to help you through it, for it is HE who heals all wounds, not time. Just know that our entire family, and its a lot of people grieves with you. May God Bless and keep you all.*
