“ *Telcie was a true friend. We met at Georgia Federal Bank in Atlanta over 30 years ago and remained friends from then until God called her home. The last time we spoke was on her birthday and I was able to tell her that I loved her. My heart is broken because I never got a change to speak with her again and just found out today that she passed. I will miss those calls from her saying Hey Breen, how's the family and how are you. She always made sure everyone was doing well and never complained about how she was feeling or if things weren't going well in her life. She loved hard and you couldn't help but love her back just as hard. She will be missed but I know she is happy because she is with the Lord whom she loved more than life itself. Rest in Heaven my friend, I love you but God loved you best!!!!*
