“ Jody my Jody (I would always tease you by saying that quote from Baby Boy). I cannot believe that our family trips to Kalahari, and Cedar Point has come to an abrupt painful end. You and Portia going out for eats, drinks, parks and shows. Our last outing we allnreakly enjoyed ourselves looking at pics and laughing just would not have thought that it would be our last as a group. No more giving you a piece of my mind and sending you to voicemail. No more talks about how we miss our Dads. All we have are those memories. Rest In Love Jody my Jody.... Gone way too soon.
