“ Terina was one of the first teenager's I meet when we moved on the south side she was in the 7th grade. The apartment complex we both lived in had a pool and basketball court. We would spend many hours all us hang out in park manor .We would also walk alot (that what kids in middle school did back then)also in the winter we would catch the city bus and hang out at the mall.As year went on I didn't see Terina very much .A few years ago we became friends on Facebook and she always had a positive comment about stuff I posted. I will never forget all the fun we had in park manor our middle school years.Rest in peace Terina.My deepest condolences to this beautiful young lady family
