“ Terrall my BFF I miss you so much. I wish I would have kept closer contact with you. We had so many good times in Davison living at my mom's house. It touched my heart that you loved my mom and cared for my mom like you did. I'm so sorry that you couldn't get the help that you needed. You were so stubborn. I'm trying not to cry right now because you never liked it when I cried. Again I tell you I miss you so much and I love you too and you knew that. Until we meet again up in heaven.
