“With Deepest Sympathy and Prayers To Terrence's Family and Loved Ones: May You Feel God's Love and Comfort for You with Terrence's home coming to Heaven, where he is with our Lord and Savior, praying for us and waiting to meet us at our home coming someday. As the song says, "When we all get to Heaven what a day of rejoicing that will be." To be united with Jesus and reunited with our Loved Ones. At each passing of our Loved Ones, Heaven becomes Sweeter. You are missed Terrence, and I pray that each one of us will find comfort in our own fond Memory we shared with you!

As Trey's teacher said, you were our Gentle Giant. What a Blessing to have worked with you for many years, where you would give me my breaks and we would talk about our families, Once I told you that since you were my daughters age, that meant I was old enough to be your mother, it was then that I started calling you my son. How excited and Happy you were when you told me that you would soon be a Daddy. Trey was born and you were So Proud of him that you invited me to your home and let me hold your Beautiful Son. After Trey was born we would exchange our stories of my two grandkids and your 3 children; how proud we were. Your kindness and great smile will remain in our memory and comfort our hearts. I Love you my Friend/Son! Rest in God's Peace! Kathy Bendall/ Mom B

“ I did not know Mr. Gadson well, having met him on only a few occasions. But I did know him well enough to know that the term "gentle giant" certainly described him. It was shown by his deep love for Trey, and his concern that Trey do well in school and feel comfortable as a new student here. Whenever Mr. Gadson visited Syring Elementary, his kindness and respect to our staff was noticed and appreciated. I am blessed to be one of Trey's teachers and know that Trey and his dad were very close. My heart goes out to the family members I have met, especially to Trey. To those I haven't met, I look forward to meeting you and hearing more about this very special man.
