“ *Terrence loved life more than most. He had a magnetic personality that drew many people to him. He had a sharp mind, making sure to acquire knowledge every chance he could.*

He loved the art of debating, especially among the barber shop crowd. Terrence is "The Fade King". No one could do it better.

It makes me laugh to know that he thought I (Steve) was working undercover because of my special deputy badge, Sheriff's uniform, and expert knowledge of firearms. Then again maybe he was looking at my dreams of being just that. An FBI Agent at heart and a systems analyst by trade.

He will be sorely missed and always loved by all.
