“ I remember when I first met Terri, she had a cast on her leg some many many years ago at Smoke Rise Resort. We later ended up working together for a short time, I would also run into her from time to time (when she worked at the Drs. Office)and at Meijers. She told me about the cancer, and we talked just like we did when we worked together. She will be missed, God doesnt make any mistakes so to her family I send my sincere sympathy, and will keep you uplifted in prayer.

“ With Deepest Sympathy to the Hines Family. Sometimes we can't find the right words to say.Sometimes we can only stand beside one anotherand let our closeness say what words to say.

“ To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. The Bible says that he put " a sense of eternity in their hearts." Ecclesiastes 3:11. Our first parents, Adam & Eve, were created perfect, with no defect in mind or body. (Deuteronomy 32:4) Imagine-no chronic aches and pain, no morbid fear or anxieties! Why, then do we die?
