“ *I and Terri knew each other from attending school together. My memory of her is she was always the same. with her beautiful smile and always having kind words to say. Those we love don't go away, they walk beside us every day, unseen, unheard, but always near, still loved, still missed and within our memories she will live on. Oh precious is the saint that die and know the Lord; for they at home with the Lord.*

“ Terri was my friend and a true Wildcat. She had a special personality and was matter-of-fact with everyone, just real! Terri and I were classmates at Pierson with Ms. Blakemore, Bryant, Northwestern, and dancers together at McCree Theater. We walked to school from our homes on Baltimore Street. My prayers and condolences go to her family. To be absent from the body is to be present with the Lord.

“ To the family of Terri Miller, I would like to say that Terri was a very sweet person and she will be dearly missed. I am going to miss seeing Terri and Sandy together. When you seen one the other was not too far behind. I remember the first meeting Terri and until her death she has never changed. The Wildcats nation has lost a true Wildcat. RIP my dear sister and I will always keep you close to my heart.

“ *Touched by an Angel*

*We, unaccustomed to courage
exiles from delight
live coiled in shells of loneliness
until love leaves its high holy temple
and comes into our sight
to liberate us into life.*

*Love arrives
and in its train come ecstasies
old memories of pleasure
ancient histories of pain.
Yet if we are bold,
love strikes away the chains of fear
from our souls*

*We are weaned from our timidity
In the flush of love's light
we dare be brave
And suddenly we see
that love costs all we are
and will ever be.
Yet it is only love
which sets us free*

“ Sorry for the loss of your loved one. Revelation 21:4 says : "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. This scripture encourages us because it says that in the near future death will only be a memory.
