“ To the Armstrong family you have our deepest sympathies. My family and I meet Terry after moving to Michigan in the early 20s. He was a family man and he loved his children. He also love fixing on people car's. But, if you came through and he was fixing on a car and you mention to him you were going fishing. He would stop working on that vechice and go fishing. (Lol) Terry was a man of his word. He loved to joke with everyone. Whatever he said he would do he did it and MORE. He was a loving and caring person. You never had a dull moment around Terry. He always had you laughing. He will be truly miss RIP Terry

Terry was in our driveway working on someone 's car so much that people thought he lived here. We will miss him talking thru his teeth and laughing.
