“ I'm sorry for your lose. Terry was unforgettable and in our hearts at the nursing center. It was a pleasure to have know him even if it was for just a short period of time. Me personally it something Terry told me that I will carry with me for the rest of my life, that sometimes God comes for his people who can handle the war at task between heaven and earth God choose those who can stand strong so I feel terry was one of those soilders. I scented that Terry may not have went to church like some feel he may have but Terry know God and shared his relation with God with me. I hope this gives you guys some peace in your hearts. Sorry agiain for your lose may God bless you.
