“ Terry. I will miss you calling and asking me to make the Mac & Cheese and the banana pudding for our family holidays, and dinners. Over the 17 years that God has blessed you to be in my life, you taught me how to be strong, to fight, to live everyday to the fullest. You had courage to fight your sickness without giving up. Terry you will always be my AUNT and not just my uncle's wife.

“ Terry, I miss u already, the holidays haven't even begun yet but I feel the emptiness now. I will miss us cooking dinner together for the holidays and trying to figure out where we were going to be at or us trying to figure out something new to ad to the menu. You just dont know how much you will be missed. I thank God for the 17 years that he gave us to be in each others presense.

Love,

your sister
