“ My deepest condolences to the family of Terry. I had the pleasure of working with Terry on 2W at Hurley, he was fun to work with he could have you laughing and crying along with him because he wasn't ashamed of sharing his feelings. Terry was easy to work with, the patients liked and respected him. He was very kind and showed compassion while providing care to patients dealing with emotional and mental health issues. Whenever he had an opportunity to grace us with his saxophone, he did so. He will be missed. Praying that God will comfort and strengthen you all during this difficult time. Rest In Peace Terry.

“ To my Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death. The bible clears up any question we might have about death. It also shows that there is hope for persons who have faith.
