“ *You never get used to the void of losing someone so special, so loved, and so incredible. You were more like a daughter to me than a niece Terry. I'll forever miss our "laugh-fests" that kept us in stitches and our horror movie marathons while eating good food and being unprofessional critics of every blooper we saw. I saw you grow into a beautiful young lady that was filled with compassion for others and love for so many. You were not a pushover either! You stood your ground and didn't allow anyone to lessen your life or interfere in it. I'll miss that smile, that laugh, our conversations over the years and I know your puppies are missing you too. I love you my niece/queen. RIH. 💔💔💔💔💔💔💔💔💔💔*

“ *I got the opportunity to meet and work with Terry for 2 years at CEP in Lapeer. She was a very nice and friendly person- who didn't mind helping others when needed at work. It was a pleasure to have known her...although it was brief. My sincere and heartfelt condolences to her family. May the Lord comfort them during this difficult time.*
