“ So sad to hear that Roshe passed, we were the King area family, we all knew each other and we all took care of one another until we moved away. We would come back to visit. Roshe was such a great friend, he always kept his neighborhood friendships close to him. He was there for my family when my siblings started to pass. God bless you Roshe and Rest In Peace I'm so sad, you were always that good person. Just thinking about the first day of being at Emerson Intermediate and Mr Sharp mispronounced your name and we laughed all day about that. Man you are the best. Bless your wife, kids and grandchildren.

The Lord is my shepherd: I shall not want. He maketh me to lie down in green pastures: He leadeth me beside the still waters. He restoreth my soul: he leadeth me in the path of righteousness for his name's sake. Yea I walk through the valley of the shadow of death. I will fear no evil: for thou art with me: thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all
