“ *I was saddened to hear that Thedford (Boose) Perry made his transition...truly an awesome man.... Boose thank you for allowing me into your space as a young youth. I truly enjoyed watching you play middle linebacker (#19) and basketball for Northern Vikings. All these years later I still remember you plugging the middle up with a bad ankle on Thanksgiving Day versus Central. I attribute my playing success to the exposure you afforded me by being around you. Cousin you lived and awesome life and you helped a lot of people during your journey. I thank God for you.

“ Today is full of memories of a brother laid to rest and every single one of them filled with happiness. For you were someone special always such a joy to know and there was so much pain when it now time to let go. That's why this special message is sent to heaven above for the angels to take care of you and my sister Marie and you and her all my love.
