“ *My deepest sympathy, with love and prayers goes out to your family. Her smile lighted up room, and always made the day go by easier. On Thanksgiving, I called her to wish her a Happy Thanksgiving. She asked me, "When do you start your new job at Beaumont?" I replied, " I start at Beaumont on November 26th, 2007." I was hoping to come over and see her one day. The last thing she said to me before I hung up the phone was, " I love you." and I said, "I love you, too." She will be greatly missed by everyone. My prayers and thoughts are with your family at this time and always.*

Sincerely,
