“ *Cousin E! I'm so sorry! God bless you! You have been on my mind! We wanted to get you a gift for being the eldest family member! We love you! Why do we call you E? I remember visiting you when we were younger...I was always surprised when you talked! You were so quiet! I was always good around you...something about you told me you weren't no joke...plus you were Aunt Gurlee child...she did not play! Together with your mom at last! You lived a long life! God bless you! I love you! peace!*
