“ To my family, I pray that God sends his comforting Angels to help during our time of need. The last time I saw you Auntie it was at the hospital and even though you were in a midst of a battle. We all laughed as if it was any other day. RIH!

Love,

“ I always loved that we didn't see each other for years, but every time we'd get together it was as if we were never apart, we always had something to laugh about. You will be missed, I love you sister-in-law. RIH ❤️
