“ *To the family I am so sorry to hear of Mac,s passing. I have worked with her for years at the hospital. I have enjoyed every moment. The sweet smile, our Bible discussions we had. We did discuss the ressurection that Jesus talked about in John chapter 5, verses 28,29. Where Jesus promise that all those in the graves will hear his voice and come out. Just as he called Lazarus in the 11 Chapter of John and where Jesus called death ---sleep. and he will do the same for us. Again I am so sorry.*

“ *The life given us by nature is short, but the memory of a well spent life is eternal. May you find some comfort in the thought that others care. God bless you.*

“ *James and Lena You have done a wonderful job in caring for your sister during her illness. No more sickness, no more pain, no more hospitals. Thelma fought a good fight, kept the faith and finished her course. She has gone from labor to reward. Thank you Jesus. We will keep you all in our prayers.*
