“ *Miss Thelma! always straight forward. I remember our Heavenly Host days, Me and Rita thinking we knew about life, and camping our on the floor in her room. Well we grew up God and the prayers of our parents taught us to evolve into wonderful parents ourselves.*

Thank you for this extraordinary, beautiful, and priceless daughter that I have. If not meeting you I would not have her.

To Rita, Derrick, Nicholas words cannot define my condolences. I lift you up and pray that God continues to hold you up!

She was amazing and had the greatest personality. Im Heartbroken over her being gone! But she will always be in my heart! My thoughts are with the family.

overwhelming us with much grief
But as we give ourselves time/ space
