*To the Redwine Family and Friends.*

*Words of solace will not deter the pain of death, Refurnishing the fond memories of Thelma and her galvanizing smile will radiate a memory that will embody the warmth rendered by Thelma to everyone .Her smile was the beacon of light that magnetized her beautiful demeanor into the arena of friendships.*

*Her mannerisms of caring for her younger brothers and sisters was ill reversible as she made her rounds to their class rooms, before hustling to her room.*

*She put credence's to the saying " I am my brothers keeper"*

*I will keep the Rewine family in prayer as they prepare for the days and nights that will be voided of Thelma, but her presence will not dissipate because where ever good people travel, they leave a fragrance that mirrors an image Of beauty sanctioned by God for us to cherish in our hearts.*
