“ *Dear Herc,
Ken and I are really sorry about your dad. We worked with him for a long time....Hope you are doing well. We think about you often and wonder how you are doing in Shreveport. Ken and I would love to see you before you go back south...If you have a chance stop in. If you don't have time give us a call. We would have come to the funeral home but didn't find out about it in time and Ken had to work today...Take care and hope to hear from you...
Your friends
Jan & Ken*

“ *To a man who always understood my personal beliefs on how to live ones life.*

To a man who loved his family and demonstrated his love for them.

Also, to a family whom I became close to just because. May God continue to protect and provide for each and everyone of you.

Thank you for acrossing my earthly journey.
