“ May the fruits of the Spirit bring Peace and understanding to each of you during these times. Theotis has always been a quiet young man from our childhood day's to graduating. He carried such a warm smile that would make you feel a true heart. Infact the whole family were very well respected and such a kind family. As the years passed Theotis and my dad Hardy Wafford Sr , were fishing buddies and Theotis loved his CB on air with his outstanding personality. Hed say Baracuda dropped the hammer can't no one get out there. Wow he was so polite and caring. Mother Rozier always knew he would make a difference in anyones life because that's who Theotis was. He will certainly be missed. Please except my sincere condolences. Love to each of you
