“ We are so sorry for the loss of your loved one Mrs. Cousins. Death was never intended for mankind until Adam sinned against God. Please read Genesis 2:17 The death of Jesus Christ brought back what Adam lost. Please read Romans 6:23. We can live forever on a paradise earth according to the Bible, God's word. See Psalms 37:29 At that time we can experience what Job did at Job 33:24. This has to be on earth because flesh and blood cannot enter into heaven. This is our hope for Mrs. Cousins and others who have fallen asleep in death. We hope these few words find some comfort with the remaining family and friends. Sincerely, William Simpson

“ For many years, Mrs. Theresa Cousins has rendered faithful, conscientious and valuable services to the Hunter Thames Family Reunion. Despite the fact that during this period of time, occasions have arisen when her health was impaired, nevertheless, with great sacrifice, she carried on her responsibilities. This was done with great encouragement to her children Linda (deceased) Lisa, and her brother John. The Hunter Thames Reunion Chapter of Mississippi, acknowledge its appreciation of the services rendered by her since the inception of the Hunter Thames Family Reunion. We say to Theresa's family thank you and job well done!!
