“ Tommy was the first born of one of my mother's younger sisters, Leona V. Grier (named after our grandmother). My mother was Leola V. Grier Calloway and was the oldest daughter of Ward and Leona Grier.

Tommy was so special and so very loving and gentle. I am so glad that we had a chance to spend some time together sharing and shopping during our last family reunion in Killeen, Texas - 2006. Little did I know that would be our last time.

I miss you already, Tommy!

Love,

Cousin Beverly

“ What can I possibly say? What a loss, what a man and yes, what a legacy... Tommy was one of a kind. So wonderful. He truly exemplified what a fine man is. I count it a privelege to have known and worked with him. I am so thrilled to have Mary as one of my dearest friends. This will be a new chapter in your life, Boo, and I hope to be spending much of it with you. It was great seeing Jamar and Tommy Jr. And the grandbabies are getting so big. Having Tommy go HOME so early in life is heartbreaking, but one thing is sure: The Baker Family was so very blessed to have had him for even the short time he was here. Tommy Baker was a gem. I love you, Mary. Maggie

“ to the family I want to say, It was a blessing to have Tommy in all our lives. He was such a positive person. And he always had time to say just a little something whenever he ran into you. And also he never complain. I will miss running into him at Maxie's meats, and the store playing his numbers. He was always the same even when he got sick he was positive. He will truly be missed.
