“ *I was very sadden when I just so happened to have been reading an old newspaper (Dec. 18, 2007) when I stumbled upon your face. I could not believe my eyes and did not believe it to be true that you had gone on to a better place. The hardest thing was to have to tell my grandmother (Ms. Watson)and my family that you had past away. She considered you to be another son to her. You and my Aunt Cindy were the best of friends and I will always remember you even though I was younger than you all I still remember a very sweet person who was always around. Now I say that I am sorry for not knowing and able to pay my respects to you because I didn't know and you were there for my family when my Aunt Cindy past away. To your family I am sorry for your lost and pray that you are with our heavenly father God and that you will see your friend again. I always considered you as another uncle of mine.*

Love Ya
