“ *To the family of the late Mr. Mullins only God no best, there are no mistakes made. Your father will truly be missed at the Barbershop he always had the nicest things to say about his family, it is such a blessing when you can say such good things about your Dad/Mom that just goes to show that the job they did on this earth was one to be so thankful to God for Reading what Jeanette wrote I can tell it was strictly from the heart, dont really no you personally but that doesn't matter May the family be blessed, I've been down this road so I no what it's like to ask God let his will be done Keeping you all in my prayers!*

“ I Love and miss you daddy. Feb 23,2019-Feb 24,2019, was a moment that God allowed me the opportunity to be at the right place and at the right time. It was hard for me at that moment to see you transitioning I was glad that I could be by your side while you transitioned to the other side. I know you never experienced this before. I believe in my heart that knowing I was there by your side, with a sincere heart to comfort you and take care of you, that you were able to relax and be at peace of God. As I laid my hands on you and prayed and asked God to take you at that moment God began to move. I did not want to leave you here to suffer and go back to ATL. I am glad you are at peace now. You took it like a soldier,all that you endured in the process. Did I hate to see you go? Yes, We had such a bond that I will never ever forget you. We talked on the phone and laughed and I cried. No one can take that away from me. You shared with me the secrets of your heart. Thank you for what we had and the memories that are everlasting. Thank you for working hard and providing for the family. Thanking God for choosing you to be my daddy. You will always be in my heart. Your picture with you and I will always be on my desk at work. Rest from your labor. You can rest now. Love Jeanette Mullins-Word (daughter). Working through the tears but God will heal my broken heart.

*"Honor your Father and your Mother that you will live long upon the earth".*
