“ Like many others we had a special project in mind for Uncle Tony this summer. That was our plan, but God has his master plan already in place.

I remember when we first met. In your eyes I could see the question, "who is this guy who knows my family, my Mom, my Dad, Sisters, & Brothers?" You could look right through me to know if I was sincere. You've trusted and loved us all every since that day.

We are going to miss you down here Uncle Tony. Thank you for sharing your contagious smile and above all your family with us.

“ We have plans but God has an agenda! We'll miss you forever! I had a list of things for you to touch up for me this summer! Whatever will I do. I'll ask the Lord to give me strength to accept the things that I cannot change. Thank you for the deposit that you have made into our lives. The boys will miss hearing you say, "hey Nephew Jayden and hello nephew Jordan". Rest in Jesus!
Love Always
