“ *To My cousin's.*

We will miss your dad very much. My mother considered him, as her God Son.

She loved hom very much, as if he was her own biological.

My family will keep you in our prayers, give us a call if you need us for any reason.

We can't bring back our love ones, but we can suport each other, especially during periods such as this.

Dr Robert/ Rebecca Hannah - September 27, 2009 at 12:00 AM
