“ Tiffney, Thank you for being my sister, we shared a lot of things growing up like: clothes, a twin bed, a chair at dinner time, baths, a room and many other things. I miss you already! One of the last things you said to me is that you wanted to come to Mississippi with me to be at Dimitri graduation party, believe me you will be there and everyone will know it. I love you dearly! I thank God for the 7 hours I was able to spend with you on April 25th. I don't think you liked my singing but I will treasure that time forever. I know you were the one blessed with the beautiful voice, I can still see you singing at St Peters church and in Audre's wedding. Margo & I will take care of Audre so you don't have to worry about her. I know you knew that we loved you no matter what. We are glad you are at peace now and you will never have any more pain. I know your our personal Angel now so please watch over all of us left down here until we see you again. Much Love T. Your Big Sister, Nicole :)

“ To The Entire Beverly Family: Our hearts are heavy as we are saddened to such a precious jewel like Tiffney. Sometimes we don't know why God chooses to take someone away who are dear to us but one thing we do know for sure... God doesn't make mistakes. When you (the Beverlys) family) accepted me into your family, Tiffney became a God-Sister and Friend. I have fond, fun and precious memories of Tiffney that will always be in my heart and thoughts. To the children of Tiffney, always keep your mother's memories close at heart, knowing that your mother loved you all very much. To my Beverly sisters (Margo, Mary "Nicole" and Le'Audre), the closeness and bond you shall forever have among yourselves will be glue that will forever keep you close with Tiffney and surround you with love and comfort. To Daddy "Joe" and Diane, your precious little Angel "Tiffney" is forever with us but among God's other angels looking down upon us. I'm sorry I'm not able to be there with you today to commemorate Tiffney's memorial but all of you are in my thoughts and prayers. I love you and will miss Tiffney very much.

“ Tiffney, you are my baby sister, my daughter and my best friend. It has been me and you together in Florida for 15+ years through everything and we know that our other sisters, Margo & Nicole were always just a phone call away too (thank God for 3 way calling). The bond that we all share is something that can never be replaced or broken because we all have our own flavor that we brought to our sisterhood that no one else can ever touch. You never complained about anything and took the road that God put you on and never took a turn for complaints etc. I've watched you grow into such an amazing person and baby sister. I can truly say that you are and always have been a baby and anyone that have met you know you had a heart of gold and was our baby sister because of how you act. I know the love you have and expressed toward your 6 kids and always wanted only the best for each of them. When you start having grandkids and would love for me to show you the updated pictures via text was such an amazing thing to see your face light up and brag on how beautiful they are. I always told you, I would never leave you and will be by your side until the end and I know you knew that because of all the beautiful things you would say to me. I always called you my beautiful solider because that is what you represent because you always stood up tall with that big beautiful smile and beautiful skin. I will miss you but I know that you're always with me and watching over me and our family because you are truly "OUR ANGEL". In your words that you told me before I left that night, "BYE-BYE". Love Audre!

“ Where do I begin with MY AUNTIE TIFF!! Even when things are expected, it's still hard to believe i'll never see your face again or hear your voice around the house. You are a great aunt, sister and even a mother. At this time we won't mourn your absence but we will laugh of the memories and cry in happiness! We miss you so much already. And we will ALWAYS miss you & love you! I still can't believe your gone and I dont know when I will! Your in spirit and I want you to know you were the strongest woman I've met! You fought a good fight and through it all I could never tell you were fighting! I won't forget you, all your advice and all your help when it was needed. I love you and forever you will live on in all of us! One thing I ask of you is to guide all your kids, grandkids, sisters, neices, nephews, friends and Dirk through life and keep us all strong JUST LIKE YOU WERE!

*I love you auntie,
