“ *To the family,*

Timmie was a very unique person. She always had a way to make you laugh. We will always remember her. She is now in God's care. May you find comfort in knowing she knew the Lord, and was always trying to do his will. She loved her church and her pastor. These are things she told me just a few weeks ago. Keep your hand in God's hand, and he will direct your path. The Flint Fire Department will no longer be the same without Timmie.
