“ Tim was a very good friend I miss seeing him in the palm tree already. We use to hang out in Detroit a lot and he was there for me when I lost my fiance Torrey who he became very close to. He would always give me advise whether I wanted to here it or not he kept it real, never sugar coated anything. We had a special hand gesture we did when we saw each other. I pray for his kids and family he will forever be missed..

“ To the friends and family, which includes a part of my own family, I'd like to send my deepest sympathy. Tim was a very good friend to my daughters and granddaughters when they needed him most. I was so very grateful that he was a constant in their lives. A TRUE FRIEND INDEED AND NOT ONLY IN TIMES OF NEED. That's one of the ways I will remember you.

“ Hello to the Baker Family. I was a friend and a sister to Tim for years now. He was a special person to me and always will be. He was our big brother and he took care of us, and I would keep fudge when he was a little one. I am really hurt that he's gone cause he was always my backbone when things were going on in my life. Now with him being gone, I don't have a big brother to lean on, but God will help us all through this. Tim was a good person to everybody he came into contact with. Love you Tim and I will see you soon.
