“ I miss you so much. I still can't believe it. I wish your were here to help me and give me advice like you always did. You were the only one who understood me. The only one who would listen to me even when you didnt feel like it. My life has not been the same and it never will be. I wish my life would go back to normal. You being with me everyday, encouraging me and just talking to me as my uncle. I cam say your were my best friend. I miss you begging me to make you sandwiches. I miss you making me watch unsung with you. I miss the laughter and smiles you brought to our entire family. It will never be the same. This isnt easy for me. I miss you like crazy. I just wish I could hear your voice one more time. I wish I could here a joke one more time. Theres always going to be this empty spot in my life where you belong. You will forever be in my heart. I think about you everyday. Watch over us.. I love you and miss you! I know your where you want to be sitting right next to my beautiful grandmother. I love you both. Rest in paradise.

Jillian

“ *To Brother David and the rest of the Epps family, We know that Jehovah God (Psalms 83:18) is the "God of comfort who comforts us in all our tribulations" (2 Corinthians 1:3&4) We also know that Jehovah God will soon "swallow up death forever and wipe the tears from all faces" (Isaiah 25:8) Soon we will see our loved ones again and we know this because this is what the bible promises at John 5:28, Jesus said, "Do not marvel at this because the hour is coming in which all those in the memorial tombs will hear his voice and come out" and then you can welcome him to the paradise earth where "death will be no more, neither will mourning nor outcry nor pain be any more the former things have passed away" (Revelation 21:4) Please accept our sincere condolences.*
