“ My sincere condolences to the family. His family is much like family to me. Tim was my very first boyfriend in 9th grade and I established a relationship with the whole family. Well after he and I went our separate ways, his mom and dad were and are still very important to me. I continue to call his mom, 'mom' and when I call her she gets so excited and calls me her 'daughter'. Sorry to hear of this loss and hoping the family can find great peace during this time. RIP Tim~
