“ We met Tim many years ago at the Butcher Shop gym and have had many great memories since. We became the gym family, Tim usually leading us all. Lots of laughter and smiles always. When Butcher Shop closed, Tim brought the gym family to Snap and continued to be the family. We will forever cherish our time together in and out of the gym. We love you, Lets Eat!

“ To the Maynard Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ My deepest condolences to the family. I went to school with him. He was always a nice guy laid back but down to earth. I didn't have the pleasure of knowing him as we became adults but we ran into each other from time to time. I'm so sorry for your loss. May God give you all strength and comfort during this difficult time. Rest peacefully my friend! 🙏😞

“ *Tim was a great friend and a true blessing to myself and anyone around him. I remember he loved the outdoors and being in nature. One fond memory I have with him was the first time he took me squirrel hunting. I was a terrible shot and I can remember him laughing as he patiently sat there with me as I unloaded about several rounds from his .22 before I finally got my mark. I will never forget the joy and laughter we shared that day as he shared with me his passion for hunting and being an outdoorsman. My sincere condolences to his family and loved ones.*

“ When Jesus calls he does it unexpected even if expected. I appreciate the fact that Jesus along with your mother and family shared you with the world by doing that you made a deep and long lasting affect on the lives of many. You built families of your own by blood and by the spirit. You gave up a lot to achieve a lot. Your presence will always be with us always and legacies you have began will continue in the lives of your children.
