“ Cynthia when I heard that the missing man was your son it broke my heart. You don't deserve for satan to come into your life and snatch a loved one like that. My heart goes out to you and the rest of your family. I will keep you in my prayers because you are going to need all the help you can get to handle this. I'm also very concerned about your health, I know that you are in a world of hurt and pain and you will be until you get the answers you need. My girl, Cynthia please take care of yourself. I tried getting in touch with you via phone but you changed your number. I will pray that justice is done for you. May God bless and keep you-Naye
