“ *Bro, its been 6 long years since you left this world, but to me it seems just like yesterday. Thru out my life I've always had people that I called my best friend until the Day God allowed our paths to cross, and I realized then what a best friend truly is. You were always there for me. You never judged me, or turned your back on me. You've seen me at my lowest and you picked me up and encouraged me to get back up and keep pushing forward. You were more than affriend you were like a big brother to me. We had so much in common it was like you were an uglier version of me (Imao). Man I really felt cheated when God called you home...I really thought we'd grow up and old together and kick it like Fred & Grady. There's not a day that goes by that I dont think about you.. I miss & love you bro, I pray God allows our paths to cross again in the next life.*

“ *Thinking about you brings back so many wonderful memories of my days at Hamady and growing up in general. I'll miss talking to you all through the night as well as miss the way you always seemed to turn my frustrations into laughter. Although we are first cousins I always viewed you as my brother. The rest of the family and I will dearly miss you.*

“ To all the family and friends of Tito, you have my deepest sympathy for your loss. I have to admit that I did not know Tito but when I read his obit I knew his Dad's name. He married my cousin, Sister, I was at the wedding, so that made him my family too. Which makes you special. My prayers are with you all-Naye

“ Words can not express how deeply saddened I am. Knowing that I can never call and laugh with one of my bestfriend's again. I loved Tito like a brother and considered him one of the most genuine and honest people that came into my life. My prayers go out to his daughter and both of his sons, who he loved more than life itself. To his mom, dad, sister, and nieces I know that he loved you all very much also because he spoke of you all the time. Know that he is in a better place and that he is watching over all of us right now. May God bless you all.

Sincerely,

“ My man, Tito. I will always remember you from the Diallo (R.I.P), Dexter Cooper, Abosolom, Tiger, and the rest of us years. You would be the first to pan. You would be the one to smack one of us in the head and hide around the corner. You were the one flexin' your muscles. You were always one of the first. You were a leader then as you will be in heaven. We had fun playing football with you in middle school (I swear we lost every game.) Nonetheless, it was fun dogg. That will be the way I will always remember you. That is and always will be on the "5". I lost touch with you when I left Hamady and went to Northern, but I always heard about y'all. You know Hamady was like a big family. Rest In Peace. My condolences to your family.
