“ *Uncle TJ I would always see you out shopping at Meijers on Center Road, where we would stop, what ever we were shopping for on our list. We both had list, that I tried to follow, but compared to your cart and my cart, you clearly was doing a much better job staying on budget then I was. But we would stop right in the grocery aisles and do a quick catch up on family. I would ask about Aunt Delores and how everyone was doing. He always had a smile on his face and tell me how everyone I ask about was doing and I did the same. You will be missed, by family, friends and love one. May you rest in peace.*

“ *Granddad. 🥹 There's not enough words to express how grateful I am to have had the privilege to be called one of your grandchildren. You were and always will be the definition of a man. You were the hardest working man I've ever known. You were a man of honor, a man of wisdom and a man that loved and took care of his family. Rest peacefully in Heaven granddad I love you. Give Dad (Peno) a hug for me and tell him I miss him and love him. 🥹❤️🙏.*

“ I met Mr.Burton years ago, he used to look after my Uncle Clemon & Aunt Ethel Washington that lived right across the street before their house caught on fire, and they had to move. I drive down the street from time to time and Mr. Burton would be outside working his garden or fixing something on the house or cutting the lawn. He would always offer advice to me, or give me vegetables out of his garden or both. Be Encouraged Burton Family, Mr. Burton was a great man to his family and the community.
