“ *Todd was a truly kind, polite, respectable young man. He went to school with my kids and always had a smile on his face. He will truly be missed by all who knew him. He now is in Heaven with all of his other classmates who have left us too soon. He now is flying with the angels. God Bless you Todd and your family.*

“ Todd was a great kid in school and grew up to be a wonderful man. He Loved everyone. He had your back and was your biggest cheerleader. He was happy go lucky and wherever he was there was also happiness around. He had a smile that never stopped and it wasn't fake! he loved and cared deeply for his family and friends. And once a friend you were a friend for life. Todd you will be greatly missed, but save me a place in that Vocal Ensemble in the sky!!!! We will sing together again someday. Until then "Friends are Friends Forever" Today we feel a big loss, but Todd wouldn't want use to morn him or cry that he is gone, but he would want us to live and love harder than ever. And to "CELEBRATE HIS LIFE" So to Honor Todd remember those great times with him and the smiles he brought to each of you here today and Celebrate his life and his love for you and life!!!! Todd may you rest in peace. You were a blessing to all who knew you!! Love, Heather Schmidt Class of '87"
