“ Happy Heavenly Birthday! 2/14/1954.

On this day, 17 years ago, February 15, 2009, Uncle Tommie, you left your earthly home, and not a single day has felt the same since. Time has passed, but the space you left in our hearts has never been filled. You were truly one of a kind, the coolest uncle anyone could ask for. Your generous spirit, your laughter, your wisdom, and the way you showed up with love meant everything to us. You gave so much of yourself without ever asking for anything in return. Your presence brought comfort, joy, and strength to our family.

We miss you deeply down here. Your legacy lives on in the stories we share, the lessons you taught, and the love you poured into us.

*Forever in our hearts.
Love you always, your family.*
